Flag & Tackle Football Regular Season Program

\$5.00

Parents, Players and Friends of SBMSA Football -

Welcome to another fall of Texas Football. I hope you agree with me that we are so fortunate that our boys have the opportunity to play this wonderful game in this great football state. I often am asked about why football is so big in Texas and why we encourage our boys to start so young. I tell them that many of us down here believe there is no better way for a boy to learn the lessons that are necessary to become a man. Perseverance, respect, discipline, honor, self-esteem, teamwork and commitment to something bigger than yourself - all of these are learned and achieved through the stress and strife of a football season. Our kids have so much today, so many distractions, and football doesn't care about your X-Box, or Instant Messenger. It demands your time and energy and focus and, mysteriously, most of our kids love it. Some fraction of the boys that play for us will actually go on to play Varsity football, but we believe that the lessons they learn from this game as boys will translate well into whatever pursuits they follow later.

So this fall, close to 1,200 boys (and three girls) will play on 29 flag and 38 tackle football teams in SBMSA. These are big numbers and no easy task to administrate. This season requires 67 head coaches to take on a huge responsibility and 11 commissioners and directors working long hours to pull the whole thing together - all of them volunteers with real jobs and I can not possibly express my gratitude to all. SBMSA is a competitive league - we keep score - and this is certainly an important reason for our success. Equally important to this league is the opportunity for every player to develop and learn. This opportunity is not limited to games, as we practice at least twice as often. We believe that what sets SBMSA Football apart is the embracement, by our coaches and parents, of both and the desire to find a workable balance. In truth, the teams that find themselves playing for the championship in Tully have found this balance; having both improved as a team, to a man, and featuring players that will be standouts for their high school teams.

This is the sixth season that Mike Rupe and I have served as your directors. Neither of us has kids in the program and both of us have pretty full plates outside of SBMSA. So why do we take this on? I think it comes from a deep, fundamental love of Football - the memories sparked by the smell of cut grass, the lights, the band, the combat, the feeling of camaraderie, walking off the practice field spent - and our wish to share it with as many young men as possible, our hope that they find on the gridiron what we found and have held onto.

Have a fantastic season!

Murphy Graham

Simply The Best

The Rotary Lombardi Award honors the top lineman in college football. We salute all the players in the Spring Branch Memorial Sports Association who one day may join our list of finalists. Good Luck in your 2006 season!

"The only place *success* comes before *work* is in the dictionary." – Vince Lombardi
