"BOIL AND BITE"
MOUTH GUARDS!**

Magness Orthodontics
is proud to support youth
athletes through our
Mouth Guard Program.

According to the US Center for Disease Control & Prevention, more than half of the seven million sports and recreation-related injuries that occur each year are sustained by children as young as five years old. **Wearing a mouth guard is a simple and effective way to help prevent injuries to the mouth, jaw and teeth!**

With our Mouth Guard Program, we are offering ONE FREE Professionally fitted mouth guard to all SBMSA athletes as a way to give back to our community.

More programming and information available at 3dlacrosse.com

3dhouston select

For the advanced 2nd - 11th grade player seeking the next level of lacrosse training and a superior club team experience. **3d Houston Select** seasons typically run for 8-12 weeks in the fall/winter and summer. The timing of the seasons work out well for multi-sport athletes playing football. All players train under certified and experienced coaches with NCAA and professional-level experience. Training plans are driven by 3d Lacrosse's proprietary Box-Field Hybrid Development System, a methodology proven to develop skill and IQ by increasing the number of touches and utilizing rules-constrained learning environments.

Note: All players interested in playing on a Select team must tryout. Please contact Coach Limming or Coach Jernigan for more information.

The **3d Houston Box League** is one of the only leagues in Texas that incorporates box lacrosse training in addition to weekly games. Players will be able to translate the skills they learn during training and see immediate improvement on the floor.

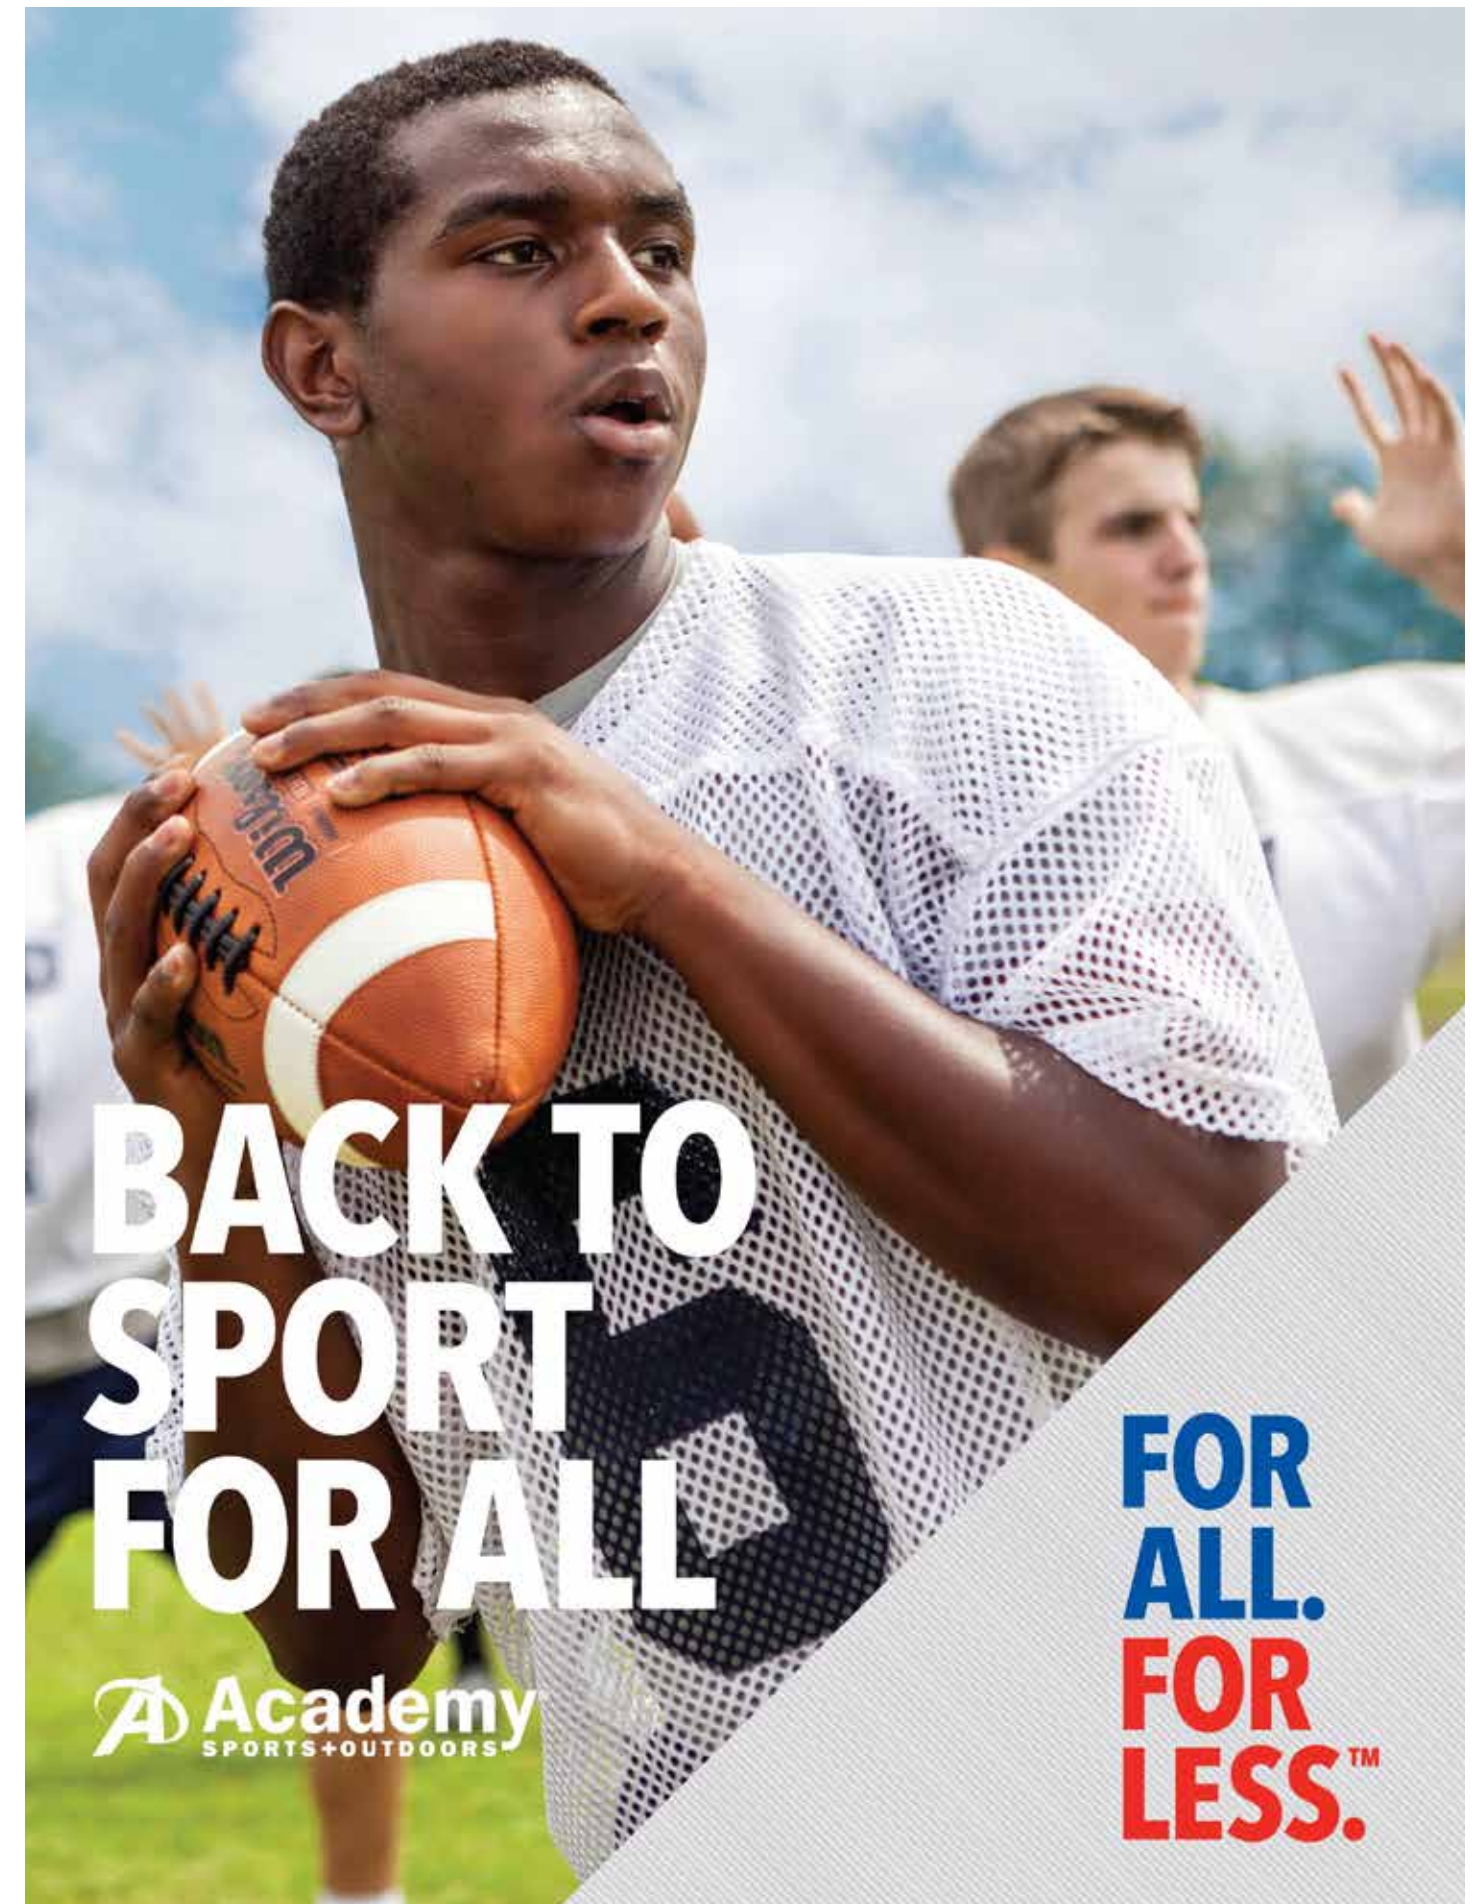

This league is open to boys players of any skill level from 1st through 12th grade interested in competing in a fun atmosphere while learning to play traditional box lacrosse. We are also offering a training-only option this fall. The league runs from September through October.

Please visit 3dlacrosse.com/signup/3d-houston-box-league-2017 to learn more.

Little Laxers is 3d Lacrosse's signature learn-to-play program. It is designed to foster a love for the game through fun, competitive, and intuitive skills training and small-sided game-play. Players will learn the fundamental basics of the game through high-repetition drills. 3d Houston will host several sessions this fall ifrom September - December.

This program is open to boys Kindergarten through 4th grade who are interested in learning to play. No equipment or sticks are required! We will provide sticks and necessary equipment. Please visit 3dlacrosse.com/signup/3d-houston-little-laxers-fall to learn more.

Playing sports can teach children and adults to win honorably, lose gracefully, respect authority, work with others, manage time and stay out of trouble.
Can you think of a better tool to teach and learn?

Play Sports!
Win or lose ... enjoy the challenge!

Thanks again to SBMSA,
The Crawford Family
