## **B. Rule Modifications for Coach-Pitch Softball**

1. Each coach will pitch to his/her own players.
2. The defensive player, playing the position of pitcher, shall remain with at least one foot inside the pitcher's circle until the pitched ball has been delivered to the batter. *The pitcher player shall position themselves behind the pitchers rubber until the batter has made contact with the ball.*

5. Only the coach-pitcher may instruct the batter and only from within the pitcher's circle until the batter becomes a base runner at which time base coaches may instruct the batter-base runner as well as the coach-pitcher as long as the coach pitcher is performing such instruction from outside the foul lines (not on the field of play). ***Coach-pitchers returning onto the field of play prior to the ball being declared dead will result in the ball immediately being called dead and play is stopped.***
6. Pitches
  - a. **6U** – The Batter will have a **maximum** of five (5) chances to put the ball into play. The Coach Pitcher will pitch under-handed a **maximum** of three (3) pitches. swinging, the batter is out. A batter shall not become a base runner unless she puts the ball in play. *Foul balls that occur on the 6<sup>th</sup> pitch still result in the batter being declared out.*

7. Coach-pitcher must pitch from the pitching rubber while keeping at least one foot on the pitching rubber, and may not warm up at any time on the playing field.

### **C. Failure to Appear**

Game will be forfeited if a team fails to appear at the field within fifteen minutes of scheduled game time. All games will count at the end of the regular season in determining division winners.

  - c. The score is tied at the end of five (5) innings, and then the game is terminated. No extra innings are played.
  - d. Terminated by umpire on account of weather, darkness, or other causes which make further play impossible provided three or more innings have been

played, or the home team has scored more runs before the completion of the third inning than the visiting team has scored in three (3) innings. If terminated before a minimum of two and a half (2 ½) innings, game shall be rescheduled; if terminated beyond a minimum point, the score as it stands at the point of termination shall be final.

- e. If game is terminated by umpire after three (3) completed innings the score of the game shall be the score at the end of the last complete inning. If, however, the home team shall have scored as many or more runs as the visiting team when the game is terminated while the home team is at bat, the score of such game shall be the total number of runs scored by each team.
2. **Maximum Runs Per Inning** - In addition to any other rules affecting the game, a team's turn at bat, in any inning, shall terminate when such team scores a total of five (5) runs during the inning.
3. **Run Rule** - The fifth and final inning of any game shall not be started when one team is more than five (5) runs ahead. Any game in which this rule is involved shall be declared an official game.
4. **Regulation Time Limit** - No inning shall start after one hour and ten minutes (70 minutes) of playing time has elapsed from the start of the game. Loss of playing time due to injury, delay on account of rain, etc., shall not count in this noted time limit. Injury timeouts will be called by umpire. Managers must notify umpire of any injury at which time the umpire will call time out per their discretion.

## **F. Mandatory Playing**

It is the aim of the Association for each girl to participate in each game. An exception may be made in case that a girl is ill or injured and unable to play, or being disciplined by her manager. In such case the opposing manager and official scorekeeper shall be notified prior to the start of the game, and the reason for the discipline stated in writing on the lineup sheet.

1. **Batting** - A team must bat its entire roster of all girls present consecutively in the order appearing in lineup sheet submitted at the start of the game. If a player is unable to finish the game, her position in the batting order is passed over, with the opposing manager and official scorekeeper being notified.
2. **Playing in the Field** - Every player must play defensively a minimum of every other inning.

- 3. Penalty for Violation** - It shall be the duty of the Age Level Commissioner to see that the Mandatory Playing Rule is complied with. Periodic checks should be made to assure that this occurs.

This rule will be enforced by a standing Committee of 3 Commissioners - the League Commissioner, the Assistant Director of Softball (who shall be the Chairman) and one other Commissioner appointed by the Director of Softball (or by the Chairman in his or her absence).

Violation of this rule shall result in the suspension of the manager for one or more games, and may result in a forfeit of the game against the offending team, at the discretion of the Committee. If the Committee determines that a Manager or person in charge willfully violated this Rule, the penalty shall be automatic suspension for the remainder of the season, including playoff and post season games, in addition to other penalties, including forfeiture.

Any violation should be reported to the Division Commissioner or Director of Softball by any interested person aware of such.

#### **G. Player Limit**

1. To begin a regulation game, a team must field at least nine (9) players, not fewer than eight (8) of whom must be players on the team roster. No more than two (2) players can be borrowed. Borrowed players must play in the outfield and bat last.
2. If a team cannot field at least eight (8) of its own players at the start of a game, a forfeit game shall be declared.
3. If necessary to borrow players, they will be borrowed as follows:
  1. If some teams need to borrow players, they should be borrowed first from some other team in their age division, or second, from a younger age division or from the opposing team. None of the opposing team's starting defensive players may be chosen, and any chosen player is subject to challenge and disapproval by the opposing manager. The manager is limited to two such challenges.
  2. Any borrowed player must meet the participation rule the same as other players on the team.
  3. The borrowed player and her parents must agree to the conditions under which the player is borrowed.
  4. If additional team members become available after the game starts, they must be added to the end of the batting order and the borrowed player(s) may continue to the end of the game if they desire.

5. If a forfeit game is declared because a team cannot field the required number of players at the outset, team members should be divided or borrowed in some manner possible to form two teams and a "fun" game played in lieu of a regulation game. Because it is not an official game, no umpires will be available. Players must be registered players.
6. Borrowed players must wear their own team's uniform or regular clothing. Borrowed players cannot wear the uniform of the team for whom they are playing.
7. Opposing managers must be informed of the borrowed player(s) prior to the start of the game.
8. If any of the above rules concerning borrowed players are not followed, it will result in forfeiture.

## **H. Batting**

  - a. Whether a bat was thrown or not shall be solely a decision of the umpire, and is not subject to protest. ***One warning shall be issued (by the umpire) to both teams upon the first infraction by either team (per game).***
  - b. This rule is inserted to protect the players.
  - c. Player is out whether bat was thrown on purpose or not.

IF the Batter fails to put the ball into fair play, then the batter will be allowed two (2) opportunities to hit the ball off the tee. Failure by the Batter to put the ball into fair ball territory with the above listed five (5) opportunities will

be declared out. In the event of a hit off the tee, the batter is allowed only one base and runners may only advance one base. All runners can still be tagged or thrown out.

6. After a hit off the tee, if the Coach Pitcher does not remove the tee from home plate a runner may not score. Runners must either stop and wait at risk of being put out or return third base. If a runner crosses the plate with the batting tee still on home plate a dead ball will be declared, no run will be counted and all runners must return to the last base safely reached, governed by the position of the lead runner. The runner who crossed home plate will return to the dugout. No out will be counted on the runner who crossed home plate.

If a ball is overthrown when returning it to the pitcher in the circle after the overthrow, the ball is considered dead and runners may not advance. Rolling the ball is not allowed. If the ball is rolled and it is deemed by the umpire to be intentional, the batter-runner will be awarded the base.
3. Advancing
  - a. The ball is declared “**DEAD**” and all play is suspended when:
    - i. **6U** - With the exception of **3.a.iii below**, the pitcher enters the pitcher’s circle with the ball in her possession –OR- an **OVERTHROW** occurs returning the ball to **the pitcher** (who has both feet inside the pitchers circle) **AND** the ball crosses the plane.

At this time, the ball shall be declared "dead" in a loud voice by the umpire. A base runner advancing to any unoccupied base shall be held at the base to which she is advancing. Base runners occupying a base shall remain at that base. Coaches are expected to abide by and not take advantage of this rule at any time.

### **As an alternative- to Rule 3 (a & b):**

AN INFIELDER IN POSSESSION OF THE BALL MAY HOLD A RUNNER AT A BASE BY APPROACHING THE LEAD BASERUNNER AND FORCING THE RUNNER TO RETURN TO THE BASE. AT THIS TIME THE BALL SHALL BE DECLARED "DEAD" IN A LOUD VOICE BY THE UMPIRE.

***If the infielder in possession of the ball chooses to force a runner back to a base that is not a lead baserunner, baserunners ahead of play may continue to advance.***

This committee can also be engaged to address issues outside of actions by game officials where a coach/parent/athlete/fan merits disciplinary discussion for repetitive or very serious sportsmanship violations and/or has been previously suspended for conduct detrimental to league core values. Program Directors can request any serious sportsmanship violation by a coach, player, parent or fan etc. be referred to the Sportsmanship Committee.
