

**FERPA Consent to Release Student Transcripts and Demographic Information**

Per district policy and the Family Educational Rights and Privacy Act, student records are only available to those who have authorization from the student or parent, guardian or responsible person if the student is less than 18 years of age. If the student is 18 years of age or older, school records will not be released to a parent, guardian, or responsible person without the student's written consent. The consent below will satisfy the parent consent FERPA requirements for release of student transcripts for 2022-2023 in accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA). I permit Spring Branch Independent School District authorized personnel to release transcripts to SBMSA.
