Saturday, November 15, 1975 .....	10:00 A.M.

PLAYOFF BOWL

Reggie Grob Stadium

it's the real thing.  
Coke.  
Trade-mark ®

The seventh Annual Playoff Bowl is being held under the sponsorship of the Spring Branch-Memorial Sports Association. The entire net proceeds of this activity, plus that of the Scholarship Bowl in Tully Stadium on November 22 will be used to provide scholarships to six students from the high schools in the Spring Branch School District. Recipients must graduate and actually enroll in college.

The 1974 Scholarship Program provided a grant of \$750.00 to a graduating student from each of the six Senior High Schools in the Spring Branch district. Those receiving the scholarships of \$750.00 each were the following:

- Randy Parnell --- Memorial Senior High School
- Matt Bielski --- Northbrook Senior High School
- Randy Watson --- Spring Branch Senior High School
- Scott Prideaux --- Spring Woods Senior High School
- Eric Jernigan --- Stratford Senior High School
- Frank Devine --- Westchester Senior High School

The Board of Football Commissioners of the Spring Branch-Memorial Sports Association wishes to express their appreciation for the cooperation, support and patronage received from the people of the Spring Branch community, from the Spring Branch School District, from Dr. H. M. Landrum, Superintendent of Schools; Darrell Tully, Athletic Director; Coach Joe Sibley, Spring Woods; Coach Charles Dexter, Westchester; Coach Gerald Ripkowski, Spring Branch; Coach H. L. "Buzzy" Allert, Northbrook; Coach Mike Williamson, Memorial and Coach Oscar Cripps, Stratford.

An added feature of the playoffs for the past three years has been to allow the second place team in each league to advance to the playoffs, thereby doubling the player participation in the playoffs and increasing the interest during the regular season and the playoffs. Team pairings for the playoffs are noted on the tickets.

BOARD OF FOOTBALL COMMISSIONERS

RON GAMMILL, Director

Now in its sixteenth year, the Spring Branch-Memorial Sports Association is the largest organization of its kind in the United States. In the year 1975 over 6,000 boys, ages 7-19, participated in baseball, over 1,500 girls played softball and approximately 1,400 boys played football under the auspices of the Association.

The Board of Directors of the Spring-Branch Memorial Sports Association wish to thank you --- parents, fans and the thousands of boys and girls who participated in the many varied sports programs --- for the fine support of the principles, aims and growth which have made this organization one of the finest in the country. We hope you enjoy our Scholarship Bowl games as much as we enjoy having you.
