

SBMSA “Thunder”

10U, 6th Grade, & Senior Divisions – Club Soccer Teams

The SBMSA Thunder Club program is open to 10U, 6th Grade, and Senior divisions (9–15 year-olds only). This is an “add-on” program, designed for players seeking more competitive play and training opportunities to supplement SBMSA league play.

Eligibility requirements

- Players must be registered in the 10U, 6th Grade, or Senior Divisions of the SBMSA Fall Soccer program (*you cannot play on the Thunder Club team unless you are registered and playing for a team in the SBMSA Fall Soccer program*)
- This is not a program for beginners. Players should be experienced and proficient with soccer skills, as the level of play is more competitive

Program structure

- This program will NOT conflict with normal league practices or games! Thunder will meet to train/play 2-3 times per month, most likely on Fridays, Saturdays, or Sundays.
- This program offers high-level training conducted by professional coaches from SBMSA partner TTI Soccer
- Training pools will be based on age and skill level, as determined by player evaluations in mid to late September
- Depending on enrollment numbers, Thunder will potentially play other local teams (of comparable skill level), and possibly 1-2 tournaments after the SBMSA soccer season has ended
- Cost: \$150 (includes jersey, additional training, games, refs, fields)
